Execution Ordered for Convicted Killer Edward Schad: Media Execution Witness Requests Available

PHOENIX (Wednesday, September 25, 2013) – The Arizona Department of Corrections will carry out the Arizona Supreme Court order to execute inmate Edward Schad, #040496, on Wednesday, October 9.

The execution is scheduled for 10 a.m. at the Central Unit of ASPC-Florence. Members of the media must be in the media staging area by 8 a.m.

On August 1, 1978, Lorimar Groves, a 74-year-old Bisbee resident, left Bisbee in a new Cadillac on a trip to Everett, Washington, to visit his sister. On August 9, 1978, Groves' badly decomposed body was discovered hidden in the brush just off U.S. Highway 89 south of Prescott. Mr. Groves had been strangled with a rope that was still knotted around his neck. A month later, Schad was stopped for speeding in New York. Schad was driving Mr. Groves' Cadillac, and many of Mr. Groves' personal belongings were in the car.
